

The Search for the V-prentice Continues

If you are up for a challenge this Summer then vinolved would like to hear from you? We need a team of willing apprentices to set up projects which are both innovative and inspirational for young people with Special Needs. All out of pocket expenses will be reimbursed and there will be a Celebration event to mark the end of the project. Apprentices need to be available for one day a week throughout the holiday period so to find out more about this exciting challenge contact Pete Relf or Kate Robson.
